CAMPING IN DEPOT.

The Mother and Child Wait Five Days
in Vain For the Father.

Paducah, Ky.—Painless and thin-
ly, Mrs. S. C. Crenshaw is camp-
ing in the Illinois Central railroad depot
here, patiently waiting for her hus-
band to arrive from Carbondale, Ill.,
less than 100 miles distant. She has
been here five days, her seven-year-old
son by her side, and although the au-
thorities have failed to locate the hus-
band, she still believes he has not for-
gotten her.

Mrs. Crenshaw came to Paducah
from Carbondale, where her husband
was employed. He sent mother and
child away, promising to come the
next day. She ran out of funds, and
teaches of the depot have furnished
lodging. But she refused to accept lodg-
ing, sleeping on a bench.

TEN MILLIONS

Will Be Added to the Stock of Cum-
berland Telephone Company.

Hopkinsville, Ky.—At a meeting
of stockholders of the Cum-
berland Telephone & Telegraph Co., this
evening, the home office of the company,
which is incorporated under Kentucky
laws, the old board of directors was
elected with the exception of N. H.
Baxter, Jr., of Nashville, who was suc-
ceeded by John W. Barr, of Louisville,
resident of the Fidelity Trust Co. The
vacancy caused by the death of
George R. Knox was filled by the elec-
tion of W. N. Bransford, of Nashville.
To meet the demands of the growth
of the business and to acquire new
properties an increase in capital stock
from \$20,000,000 to \$30,000,000 was au-
thorized.

ICE BROKE IN THE POND

And Three Little Children of the
Widow Were Drowned.

Morgantown, Ky.—Few women have
been visited with misfortune in such
a severe degree as Mrs. Florida Lar-
man, who lives on the outskirts of the
city. Only a short time ago she lost
her husband. She has now lost all of
her three children at once. The tots,
aged three, four and five years respec-
tively, were playing on the ice of a
small pond during her absence in
town, where she helped to prepare din-
ner for a family, when the ice broke
through. Their cries were heard by
neighbors, but they came too late to
save the lives of the little ones.

FIVE RAILROADERS

Residing in a Kentucky Town Killed
Within Thirty Days.

Lexington, Ky.—Claude Marshall,
who was killed in the explosion of a
boiler at Colby, Ky., was the last of
five railroad men of the little town of
Sadleville to be killed in railway acci-
dents in the last 30 days. The others
were: Jas. Sullivan, conductor on the
Louisville & Fulton railroad; Will Sher-
ritt, engineer on the Q. & C. railroad;
Will Covington, conductor on the
Southern Pacific, in Oregon, and Jas.
Kaley, conductor on the O. & M., in
Ohio.

Killed By a Car.

Newport, Ky.—Randolph Reuser,
son of ex-Circuit Clerk A. L. Reuser,
was struck by a car and fatally injured
near his home on East Third street.
He alighted from an east-bound car
and walked directly in front of a west-
bound car going at a good rate of
speed. He was thrown some distance
and was rendered unconscious, and
was taken to his home, where Drs.
Stine and Phyllis attended him. An
examination developed that his skull
was fractured.

Death Due To Heart Disease.

Covington, Ky.—Anton Graber, aged
about 38, died suddenly at a local bow-
ling alley. When the porter, George
Irwin, went on duty he heard a peculiar
noise. Going to the room, he found
Graber on the floor in a dying condi-
tion and notified Dr. Nelson. By the
time the physician arrived Graber had
died. Coroner W. W. Tarvin was no-
tified and held an inquest. He de-
clared that death was due to heart
disease.

Kentucky's Oldest.

Louisville, Ky.—The body of "Uncle
Jackson" Hines, who was 106 years
old, was taken to Brandenburg for
burial. "Uncle Jackson" yielded to ac-
quidity while on a visit to his daughter,
Felle Whip. He was the oldest negro
in Kentucky and probably the state's
oldest native. He was the father of
15 children. His mother died 25 years
ago at the age of 110 years.

"Dry" Districts Barred To Brewer.
Frankfort, Ky.—The court of ap-
peals, in affirming the case of the Lex-
ington Brewing Co. vs. the Common-
wealth, from Boyle county, decided
that a manufacturer can not sell intox-
icating liquor in a local option district.

Unknown Are Two Victims.

Middlesboro, Ky.—Two men were
killed in a wreck on the L. & N. at
Wasilot. A freight was derailed and
nine box cars demolished. The bodies
of two unidentified white men have
been recovered. The men are sup-
posed to have been stealing a ride.

Sentenced For Two Years.

Campton, Ky.—Richard Watkins, of
Breathitt county, who has been a fugi-
tive for some time, was captured and
tried in the circuit court, on the charge
of cattle stealing and given two years
in the penitentiary.

HUNTING FOR TROUBLE.

"I've lived in California 20 years
and am still hunting for trouble, in
the way of burns, sores, wounds,
boils, cuts, sprains or a case of
piles that Buelen's Arnica Salve
won't quickly cure," writes Charles
Walters, of Allegheny, Sierra county.
No use hunting, Mr. Walters;
it cures every case. Guaranteed
by all druggist 25.

LETTER WRITTEN

By Mrs. Shropshire Threatened Her
Competitors, Who Caused Her Arrest.

Lexington, Ky.—Mrs. Mary Shrop-
shire, handmaiden and cultured, wife of
A. P. Shropshire, the noted breeder
of Berkshire hogs at Centerville, Bour-
bon county, was arrested at Paris on
charges of breach of the peace and at-
tempted coercion of extortion. County
Judge Dennis Dandridge fixed her bond
at \$5,000, and she was compelled to
sit in his office until 7 o'clock before
a bondsman was secured.

Two years ago Mrs. Shropshire sold
out a business she had conducted at
Paris and in less than a year bought
it back, paying an advance of \$1,200
Jerry Sullivan and G. R. Burberry
who were her competitors, Mrs. Shrop-
shire alleges, unduly persuaded her to
sell, and since repurchasing she has
suffered unjust competition.

As a result she has made frequent
demands on them for money; she al-
leges she has lost, and it is said, ad-
dressed a letter to Sullivan and Bur-
berry demanding \$300 each, and, it is
said, threatening, if the money was
not sent her, to enforce her demand
at the point of a revolver. Financial
reverses are thought to have unbal-
anced her mind.

RODE ON ENGINE PILOT

And Crowded at Every Station as the
Flyer Stopped.

Glasgow, Ky.—The people along the
L. C. railroad witnessed a rare sight
as the fast passenger train passed
through the stations. On the pilot
engine No. 101 sat a rooster, evidently
enjoying a ride. When the train stop-
ped at a station his highness would
stand up and crow as if to announce
the arrival, and when the train started
he would sit down and busy himself
in keeping on his perch. He was finally
dislodged by Gold King, the de-
pot agent at Cecilton. It is not known
how far the rooster beat his way, but
for the present he will help to in-
crease the barometer of popularity of
King.

FRAUD INDICTMENTS

Have Been Returned By Grand Jur.
Against 399 Voters in Lexington.

Lexington, Ky.—By returning 55 ad-
ditional indictments against persons
accused of fraudulent registration, the
Payette county grand jury has placed
399 alleged illegal voters of this cir-
cuit under indictment. This number con-
stitutes one-twelfth of the entire regis-
tered electorate of the county last October.
The names of the alleged fraudulent
voters were furnished to the grand
jury by Attorney T. E. Forman, a mem-
ber of the advisory board of J. T. Wil-
kerson, the defeated candidate for the
democratic nomination for mayor.

DEFIED PARENTS.

Mountains and Sleetsforms. Youthful
Lovers Walked 40 Miles To Wed.

Whitesburg, Ky.—Ransom Sexton,
aged 17 years, and Cora Planary, bare-
ly 13 years of age, fled 40 miles on foot
across the Cumberland and Black
mountains through a storm of sleet to
Whitesburg, where they were married
by Elder John A. Craft.

Sexton's love for the girl began in
school, near Tazewell, Va. Their
amorous became so pronounced that the
teacher dismissed them. It is said
then their parents sought to take a
hand, but the young lovers eluded them
and started on their long journey to
be wedded.

STOOD IN HIS LIGHT.

So the Annoyed Gambler Shot a Hole
Through Kinkaid.

Middlesboro, Ky.—Turk Kinkaid was
shot and killed by John Haddock at the
Pork Ridge mines. It is said that Haddock
was playing in a very interesting
game of "craps" and Kinkaid was
standing before the light, so Haddock
could not see. After telling Kinkaid
several times to move out of the light
Haddock shot him, killing him instant-
ly. Haddock fled to the mountains.

Lumber Dealers Elect.

Louisville, Ky.—Officers were elect-
ed by the Kentucky Retail Lumber
Dealers' association. President I. N.
Combs, of Lexington, having declined
re-election, was succeeded by C. W.
Roark, of Greenville. George L. Tom-
pkins, of Winchester, was elected vice
president to succeed Mr. Roark, while
J. C. Row Taylor, secretary, and Henry
Koehle, treasurer, of this city, were
unanimously re-elected.

Pioneer's Fatal Slip.

Sergeant, Ky.—Mr. John Day, aged
70, a pioneer of this county, while
walking across Frank's creek on a
fence rail slipped and fell to his death.
He was a gallant officer during the
civil war.

Will Be Hanged at Russellville.

Bowling Green, Ky.—W. R. Fletcher,
and Guy Lyon, who have been in jail
since May, 1905, charged with assault
upon Mary Gladden, were taken to
Russellville, where they will be hung
on the 15th of this month. It will be
a double execution.

Wrecked the Commissary.

Middlesboro, Ky.—An explosion of
two thousand and five hundred pounds
of powder used in railroad construc-
tion wrecked the commissary of the
Popular Lignite Coal Co., at Cheno.
Damage, \$2,300.

a solution of digestive acids and as-

KENTUCKY JAMESTOWN NOTES.

Returns are expected from all counties by Feb. 15, showing the exact amount that has been subscribed to the \$40,000 fund sought by the Kentucky Jamestown Exposition Commission. It will be just seventy days from that date before the opening of the Exposition on April 26, and the Commission has announced that it must hear from each county by the middle of the month. Much interest has been taken in the canvass which started under the name "Kentucky—Jamestown week" and it is believed a sufficient fund has been subscribed to erect a State Building and make a handsome display of Kentucky's products and resources.

Ballard County was the first to turn into the State Commission its entire pro rata of \$157.93. Chas. Wickliffe is vice-chairman of the Division of Finance for Ballard County. The Fiscal Court of the county raised the entire portion.

Clark County has exceeded the quota of \$209.37 asked as its subscription for the State fund. B. R. Jonette, of Winchester, is county chairman and the sum which was collected by popular subscription was turned over to the Commission through Judge J. M. Benton, a member of the Board. There were over 100 subscribers to the fund in Clark county.

Mercer and Montgomery counties are among those which have announced the raising of their entire quotas. W. W. Stephenson is chairman of the Mercer County committee and H. Clay McKee is in charge of the canvass in Montgomery county.

A unique plan has been adopted by the Garrard county committee to raise its share of the fund sought by the State Commission. John M. Farra, of Lancaster, is vice-chairman of the Division of Finance for Garrard. A musical will be given at the opera house in Lancaster on Feb. 14, in order to raise the county's share of the fund. Home talent gave a performance in the opera house at Earlington and also at Madisonville to help secure funds for this movement.

One of the most active county committees is that of Adair which is headed by Prof. W. K. Azbill, of Columbia. The campaign for funds in Daviess is being conducted under the auspices of the Business Men's Association of Owensboro, with Geo. H. Cox, secretary of the organization, in charge of the committee.

Geo. L. Payne is chairman of the Franklin county committee which has already a goodly sum in Frankfort and vicinity to assist in bringing about the erections of a State Building and the making of an exhibit at the Worlds Fair.

Prof. C. J. Norwood, of the State Geological Survey, has the Mineral Exhibit well under way and cases for the display are now being made. The Mineral Exhibit will probably be the first to be shipped to Norfolk.

All logs to be used in the construction of the Fort of Boonesboro

Kentucky's Building at the Exposition, have been secured and the first shipment will be made during the week of Feb. 10.

An unusually attractive Forestry Exhibit is to be made by Kentucky at the Exposition. This is being collected by Col. M. H. Crump, of Bowling Green, Director of the Forestry Exhibits for the Exposition.

What has been done in Rockcastle?—Ed.

GRIFFINS MILL.

Feeding and wood-getting has been the order of the day the past week.—J. L. Hasty is suffering very severely from heart trouble.—Emmett Hasty will move in a few days to a farm he recently rented from G. B. Sutton on the Pulaski side.—Dan Miller's heading mill at the X roads, has been silent during the snowy weather.—P. H. Shotts has been sledding sawlogs to John Riddle's sawmill the past week.—O. J. Mullins, better known as "Red", the hustling trader of Level Green, was in our midst Saturday and bought of Elmer Cummins a sow and pigs paying \$12 for them, also five 100 pound shoats from J. B. Cummins paying 6c a pound.—W. E. Burton of Plato, and J. M. Craig, of Quail, drove a nice bunch of cattle to Stanford Saturday to put on the market Monday.—Much complaint is being made among the farmers about their meat spoiling during the warm rainy weather. Say, Bro., let me suggest that we all fatten our hogs just a little earlier; say, have them ready to butcher by Thanksgiving or at the farthest, by the middle of December. I think, by adopting this method we would have better and cheaper meat, for we all know that hogs are easier fattened in warm weather than cold.—W. G. and J. B. Cummins went to Plato Saturday on important business.

Elmer Cummins and wife visited relatives in Pulaski county Saturday and Sunday.—Casper Owens, of Bromo, visited the family of W. G. Cummins Saturday night.—Misses Grace and Nellie Owens, daughters of A. J. Owens, of Bromo, attended church at this place Sunday.—Rev. Godbey of Pulaski county, who was called as pastor of the Baptist church at Poplar Grove, failed to fill his regular appointment Saturday and Sunday on account of the inclement weather.—The families of P. H. Shotts, W. G. Cummins and J. B. Cummins were the welcome visitors of Mr. and Mrs. Joe Brown Sunday where all spent a very enjoyable day. The main feature taking place at the noon hour, when ice cream and other delicacies were served.—Gains Cummins went out hunting the other day and saw 14 rabbits and out of that number picked up five of them. He says he don't like to eat them but he does like the fun of picking the cotton-tails out of a 12 inch snow.—According to the saying of a number of our old men of this neighborhood, there is about 22 snows yet to fall this winter. Gee Whiz! What will become of the old cows? But cow or no cow, we will have to take the weather as it comes. While the snow hurts the old cow it is a great protection to the coming wheat crop during the cold, frozen weather. And I have been told too that a snowy winter is a sure sign of a good corn crop the coming season. Say, young farmer, let's you and I watch all these sayings and signs and then we will know and not have to take hearsays for it. While we have just been pitying the old cow on account of the 22 snows that are yet to come, let's think just a little about the hog and sheep; ar'n't they high? Why! Sir! Just one day last week a man in this neighborhood refused to take \$7.50 for a single ewe, and said that he didn't believe he could take \$10 for her. Now, what do you think about that for good prices? More people, more work, more hogs and more sheep, and good times is sure to follow.

If young boys and girls could only understand how happy it makes their parents when they are doing well and conducting themselves like ladies and gentlemen, it seems to us they would make a greater effort than they do to avoid evil deeds and acts. A greater part of the pleasure in this life, to parents, is found in the success and welfare of their children going out of their home. And much of the misery is caused by waywardness and misdeeds of sons and daughters.—Shelby Record.

A preacher came at a newspaper man in this way: You editors do not tell the truth. If you did you could not live; your newspapers would be a failure. The editor replied: You are right and the minister who will at all times and under all circumstances tell the whole truth about his members, alive or dead, will not occupy his pulpit more than one Sunday, and then he will find it necessary to leave town in a hurry. The press and the pulpit go hand in hand with white-wash brushes and pleasant words, magnifying little virtues into big ones. The pulpit, the pen, and the grave stone are the great saint-making triumvirate. And the great minister went away looking very thoughtful while the editor turned to his work, and told of the nascent passing beauty of the bride, while in fact she was as homely as a mud fence.

Foley's Honey and Tar cures the most obstinate coughs and expels from the system as it is mildly laxative. It is guaranteed. The genuine is in the yellow package.

A check for \$87 drawn by C. C. Williams in favor of J. W. Croutcher, was given out at the Berea post office, to a man by the name of Croutcher, who forged the indorsement of J. W. Croutcher on the back, took it to the Berea Banking Co and got the money on it. The party has been located and more than likely before time of the publication of this article, will be behind the bars.

Nelson Banks and Robert Chandler, the two young men who froze to death in South Dakota, on Feb. 1, were never citizens of this county. Their homes were in North Carolina and about five years ago, while on their road to the West, stopped off here and stayed with their uncle, S. E. Chandler, of near Level Green, for several months. The bodies arrived here Saturday afternoon but were taken on to North Carolina that night for burial, the brothers of the deceased boys having decided to go on after reaching this point.

HANSEL:—At eight o'clock Monday evening the death angel knocked, and the spirit of Mrs. Sarah Hansel, wife of Mr. Z. T. Hansel, took its flight to the God who gave it.

Mrs. Hansel was 57 years of age and her life a noble, christian one. For three years she had been a sufferer of that terrible disease, consumption, and as the end drew nearer to hand, no one realized it more forcibly than she, yet with that comp. sure, characterized by only the Christian, she met death without a murmur. On January 14, 1878, the deceased was united in the holy bonds of matrimony to Mr. Z. T. Hansel, to which union four children were born. Ebert, L. & N. brakeman, Emmett, section foreman for the L. & N. at Lawnwood, and Misses Maggie and Maud who are with their father. The burial took place Wednesday morning in the Mt. Vernon cemetery.

WE WANT NEWS:—On a few occasions we have heard of people criticising the editor because certain items were left out. It is not the policy of the management to leave out any item, worthy of mention, which comes to our knowledge, but unless people tell us, we cannot know. There are some who, it seems, try to make it a point to tell everyone else before the editor, and then if it fails to appear, ready to make some objection to the character of news which the paper has, because the one item which this particular person wanted published did not appear, and yet that party had passed the editor on the streets a dozen times a day and had told everyone he had met except the editor. News is what we want and we will appreciate the kindness of anyone, who will stop us on the streets, call at our office or call over the phone—No. 79—and tell us such items as you may know.

AVOID ALUM

AN UNSEEN DANGER IN FOOD

TO GUARD AGAINST the unseen dangers at sea, the United States Government maintains lighthouses.

To guard your home against the unseen dangers of food products, the Government has enacted a pure food law. The law compels the manufacturers of baking powder to print the ingredients on the label of each can.

TELEPHONE RULES.

Don't use phone during thunder storms.

POLITENESS and patience, over the wire, are great aids to business; besides showing one's raising, a request is better than a demand.

Don't take down receiver (on party line) except when you are called or you have called for someone else.

"LISTEN IN" on line (party line) before ringing for another phone. A "party line" means where there are two or more phones on same wire.

Five (5) minutes is the limit given to toll messages. When line is used longer an additional charge is made. Subscribers are limited to same time and should surrender if other calls come in. They can call again when line is not busy.

Don't eavesdrop. It often delays business. When receivers are "off the hook" it simply "kills" ringing on line.

When you give "Central," or anyone else a call, tell WHO and WHERE you are. This is IMPORTANT.

CHILDREN may be allowed to use phone, in presence of older people, but should not be allowed to make a plaything of it.

SUBSCRIBERS on party lines who habitually disregard the rules will be subject to having their phones removed.

DON'T start off your conversation by saying "guess who this?" This is simply foolishness. Tell who you are and get through with your talk within a reasonable time so as to give others a show at the line.

When you get answer to your call don't shout abruptly into the listener's ear "who is that?" but tell who you are and ask if its the person you called for.

Don't be a "chronic kicker". If you have trouble with your phone or line, report it as soon as convenient to "Central" or proper party so as to have needed repairs made. A phone is like a watch—delicate machinery—and at times gets out of order.

For "goodness sake" don't say "I have been calling you for half an hour" when in truth its been less than one minute. Be reasonable; at least let truth hit the high places when boosting it over the presumed rough road of facts.

Don't allow any unauthorized person to "tinker" with your phone.

"Central" is ready at all times to answer subscribers and patrons questions in fact means to be a "bureau of information," for their benefit.

Any reasonable person will observe the foregoing rules and thus facilitate the quick and reasonable dispatch of business.

NEIGHBORS GOT FOOLED.

"I was literally coughing myself to death, and had become too weak to leave my bed, and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Unclinger, of Governortown, Stark county, Ind. This king of cough and cold cures, and healer of lungs is guaranteed by all druggists. 50c. and \$1.00. Trial bottle free.

The Jar of Coughing

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the coughing, and heals the torn membranes.

The best kind of a testimonial—
"Sold for over sixty years."

Ayer's

ILLIUSNESS, constipation retard recovery. Cure these with Ayer's Pills.

CHRONIC CONSTIPATION CURED.

One who suffers from chronic constipation is in danger of many serious ailments. Orino Laxative Fruit Syrup cures chronic constipation as it aids digestion and stimulates the liver and bowels, restoring the natural action of these organs. Commence taking it to day and you will feel better at once. Orino Laxative Fruit Syrup does not nauseate or gripe and is very pleasant to take. Refuse substitutes. Chas. C. Davis druggist.

The bill giving the Government the right of appeal in criminal cases occupied the Senate Tuesday.

If You Are Sick

It is because some of the organs of the body are not doing their work well. There is a lack of that nervous energy that gives them motion. Consequently you are weak, worn-out, nervous, irritable, cannot sleep; have headache, indigestion, etc. because there is not sufficient nerve force to keep the organs active and allow them to perform their natural functions. Dr. Miles' Nerve restores health because it restores this nervous energy.

"I have been sick for a year, and did not know what was the matter with me. I tried many remedies and none of them proved of any value. I heard of Dr. Miles' Nerve. I procured a bottle, and before I had taken half of it I was better. I would have had nervous prostration if I had not got this medicine when I did. I continued to take it until I was entirely well. I have since recommended it to five of my lady friends, and they have all thanked me for doing so, for it benefited them all."

MRS. ROSE OTTO, Columbus, Ohio.
Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
